COVER

Bill Campbell this year reached a milestone in an eleven year career at the University of Maryland by attaining his 100th victory. The 100th win was particularly rewarding as it was against arch rival Navy. In his 11 year career as the varsity swimming coach at the University of Maryland, he has amassed a record of 104 victories against 27 defeats.

SWIMMING COACH: Bill Campbell

ELEVEN YEAR RECORD: Won 104, Lost 27

Coach Bill Campbell, in his 12th year at the University of Maryland, has either shared or won the Atlantic Coast Conference swimming title six of the 11 years he has been at College Park.

A three sport letterman in high school, Campbell went on to letter in swimming and track at Springfield College where he received his B.S. and M.S. degrees. He captained the swimming team and was New England Intercollegiate Diving Champion in 1947.

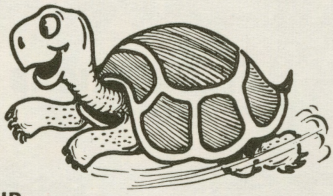
After graduation in 1947 he joined the Springfield staff as a coach and also was freshman tutor of 1956 U.S. Olympic gold medal winner Bill Yorzyk.

In 1953 Campbell went to Virginia Military Institute, and in his first year coached VMI to its initial Southern Conference swimming title. The next year his VMI squad won every first place and set a new Southern Conference scoring record. Moving to Maryland in 1955, he fielded the first Terrapin team in the University's history in 1956-57, and within three years was off on the championship road once again. His coaching record at Maryland shows 104 victories and 27 defeats. He currently is coach of All-American Phil Denkevitz, the NCAA freshman record holder in the 50 and 100 yard freestyle.

In 1960 the State Department sent Campbell to Singapore, Malaya and Taiwan for four months to set up swimming programs in those countries and to coach their Olympic Games.

An assistant Professor of Physical Education and varsity swimming coach, Bill Campbell's academic specialty is kinesiology, which he teaches and in which he has presented numerous academic papers at Physical Education Conventions.

Campbell is married to the former Eileen Kane. They have two children: Michael 17, and Patricia 15.



OUTLOOK 67-68 – FAIR

Strong Points: Breaststroke, Diving and Middle Distances if Heim recovers.

Weak Points: Butterfly and Backstroke

The eligibility of Phil Denkevitz, who left school in service is questionable. If allowed to swim, he will definitely strengthen the sprints.

In the A.C.C. the teams that are figures to be difficult to beat are: North Carolina, ranked 9th, North Carolina State, 11th and out of the conference Villanova ranked 17th. Maryland's ranking was 28th.

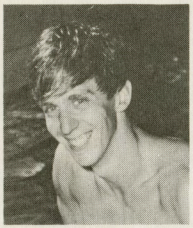
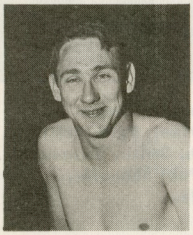
IN THE TANK



ALSTON

BRUCE ALSTON, Senior, Freestyle – Bruce will swim the "Big" relay this season and will double off in the 100 and 200 yard Freestyle. "Finger" could have a great year. He has national experience.

ED BALABAN, Freshman, Freestyle – This New Yorker will swim the middle distances and only time will tell if this young eager beaver will be able to swim with the best in the A.C.C.

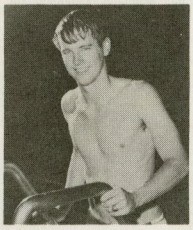


DENKEVITZ

RICH BARR, Sophomore, Freestyle – Very versatile soph, can sprint as well as carry the 200 yard freestyle. He is also a very promising butterflyer. Is ineligible the first semester.

PAUL BERIGTOLD, Freshman, Freestyle – An outstanding sprinter from Baltimore. Coaches feel he can be the real prospect in the frosh class. Big, strong read-head with speed.

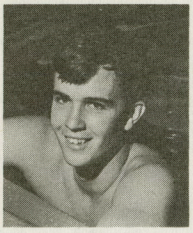
PHIL DENKEVITZ, Senior, Freestyle – He is probably the greatest swimmer in the history of the University. He is not only a great crawler but also an excellent breaststroker and I.M. man.



DODGE

DAVE DODGE, Senior, Backstroke – Dave is one of the co-captains of this years squad. He is a versatile, personable, capable leader.

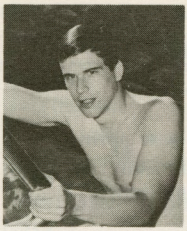
DON DOLCE, Freshman, Diver – Baby Terp diver from Texas could be in the starting lineup in the opening meet against Wake Forest. Very receptive, a hard worker.



DRANGINIS

BILL DRANGINIS, Senior, Breaststroke – Has been an A.C.C. finalist for the past two years. Coaches expect him to have his greatest year.

MIKE GOLUB, Junior, Freestyle – Will be ineligible for the first semester. This will be a great loss to the Terps in their first meets. Excellent sprinter, could break into the 21 seconds for the fifty.



HEIM

DAVE HEIM, Junior, Freestyle – Heim was the top 1960 freestyler from the East in the National Championships last year. Dave has the ability to be a great swimmer. Fortitude and perseverence are the keys to his success.

JIM HILL, Senior, Butterfly – Hill is the hardest worker on the varsity squad. Excellent student. Had a great year in 1967. His greatest ambition is to qualify for the National Championships. Coaches hope he will realize his ambitions this year.

RON HOFFMAN, Junior, Diver – A transfer student who has at the time of the writing solidly secured the number one spot. With a lot of work, could be a National Finalist.

DENNIS IMONDI, Freshman, Backstroke – Very fine backstroke prospect. A hard worker in the pool. If he matures physically and emotionally he could become the Terps greatest backstroker.

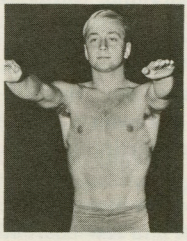
HILL

DAVE KAROL, Junior, Butterfly – Will swim the butterfly and distance crawl events.

JACK LEVERSON, Sophomore, Butterfly – Co-captain of last years frosh aquad. Could work into the number one spot. Likeable, hard worker, who can also swim the individual medley.

STEVEN MELESKI, Freshman, Freestyle – Younger half of a brother team. Big, strong swimmer with great versatility. This freshman has an outside chance of breaking into the starting line-up.

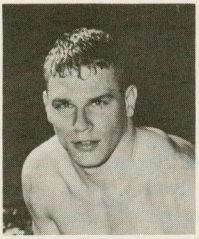
V. J. MELESKI, Senior, Freestyle – Made the varsity as a senior for the first time. The older half of the brother team who could have a good year.



HOFFMAN

BILL METZ, Freshman, Freestyle – He is an unknown quality that the coaches feel will mature into a college swimmer.

ROBERT PAINTER, Freshman, Breaststroke – From Naugatuck, Conn., home of A.C.C. Wayne Pawlowski, has speed and it is hoped he will be able to carry the 200 yard breaststroke.

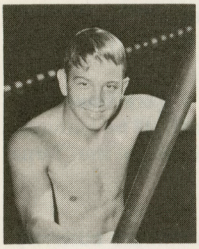


PAWLOWSKI

WAYNE PAWLOWSKI, Senior, Breaststroke — One of this years co-captains. Very hard worker with a pleasing disposition and one of the most versatile swimmers on the squad. This could be his greatest year.

CHARLES PRECHTEL, Junior, Freestyle — A sprinter who has come out for the swimming team for the first time. Has speed. Could develop into a good sprinter.

JOSEPH REID, Sophomore, Breaststroke — Has great potential. Swam a real fine 200 yard breaststroke against the Navy Plebes a year ago. Coaches hope he can realize his potential. Co-captain of last years frosh squad.

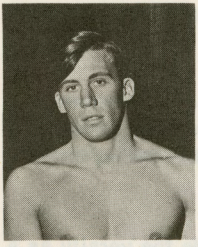


SCHWARTZEL

ROBERT RYDZE, Junior, Dive — Presently battling for a starting spot on this years diving team. Better high board diver than low board.

RICHARD SCHAEFER, Freshman, Breaststroke — From Baltimore this frosh breaststroker has the potential to be an A.C.C. finalist. Big, strong swimmer with fine stroke mechanics.

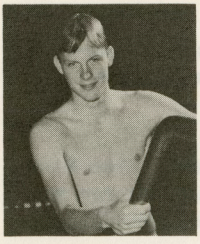
JOSEPH SCHWARTZEL, Junior, Freestyle — Coaches believe he will be the "sleeper" of this years squad. Very fine attitude coupled with great desire and fortitude assures this young swimmer of success. Will most likely make the freestyle relays as well as swim the crawl events.



SIKORSKI

BOB SIKORSKI, Junior, Freestyle — Coaches expect a great year from "Sikor." Could become an A.C.C. finalist if he overcomes his kicking problem. Very fine worker and a good student.

DOUG SPRINGER, Senior, Breaststroke — Was the recipient of the John T. Bell award as the most outstanding swimmer two years ago. Doug holds varsity records in the 200 yard breaststroke and 500 yard I.M. He is also the A.C.C. breaststroke record holder. Probably the most versatile swimmer in the history of swimming at Maryland. National finalist a question mark.



SPRINGER

BOB VIELHABER, Sophomore, Butterfly — Has as much speed in the butterfly as any one on the squad. Has difficulty in carrying his stroke through the events. Time will tell if he will be able to swim in the starting line-up.

PATRICK WELLS, Junior, Dive — Member of the diving team. Has the full list of dives for both the high and low boards. He could work his way into an A.C.C. final.
